

ChatGPT... and Me

With all the talk about [ChatGPT](#), I decided to give it a whirl. Since I'm a mountain biker and spend a lot of time on my big orange beast:

2004 Kona Stinky
I started with:

Please write an ode to a Kona Stinky.

Oh Kona Stinky, thou art a beast
A mountain bike of the highest feast
Thy suspension smooth, thy tires wide
Thou doth ride rough trails with pride

With a frame of steel and components fine
Thou doth conquer every climb
Thy disc brakes strong, thy shifters quick
Thou doth handle every trick

From the dirt jumps to the singletrack
Thou doth never lack
Agility and speed, thou art truly grand
On thy saddle I doth take a stand

Oh Kona Stinky, thou art a delight
A joy to ride day or night
Thy sturdy build and sleek design
Makes every ride truly divine

So here's to thee, my trusty steed
May our adventures forever proceed
On thou, I doth gladly depend
My Kona Stinky, my loyal friend.

Fair enough. So I figured I'd push it a bit and have it write about me, its rider:

Please write an ode to a stinky mountain biker.

Oh stinky mountain biker,
With your sweat-drenched clothes and dirt-streaked face,
You brave the rugged trails with grace and might,
Ignoring the smells that fill the air in your wake.

Your bike, a trusty steed,
Carries you over rocky terrain and through muddy bogs,
As you push yourself to the limits of endurance,
Seeking the thrill of the ride.

But alas, despite your valiant efforts,
Your odor cannot be denied.
It follows you wherever you go,
A pungent reminder of your tireless pursuit of adventure.

But fear not, dear stinky mountain biker,
For though your scent may be off-putting to some,
To those who truly appreciate the sport,
It is a badge of honor, a sign of your dedication and perseverance.

So let us raise a cheers to you,
Stinky mountain biker,
May your rides be long and your smells be strong,
For you are a true champion of the trails.

Having done that, let's see what it could do when we put it all together:

Please write an ode to a stinky mountain biker riding a Kona Stinky.

Oh Kona Stinky, shining steed of dirt and sweat,
Thou art the trusty mount of the stinky mountain biker,
Whose tireless legs do pump and pedal through the heat.

With thy sturdy frame and knobby tires so bold,
Thou carriest thy rider through the muddiest trails,
O'er rocky slopes and down steep descents, untold.

Thy handlebars do shake and rattle as thou go,
Thy suspension does its best to smooth the ride,
But still the bumps and jolts doth take their toll.

And yet, despite the sweat and grime and toil,
Thy rider grins and laughs, for he doth love the thrill,
The rush of air, the view from high, the joy of soil.

So here's to thee, dear Kona Stinky, brave and true,
Thy rider's trusty steed, his pride and joy,
May your adventures together see them both through.
